ORDER BY STOCK NUMBER

Stock numbers for available maps are listed on reverse of this index.

THE STOCK NUMBER is a 15-character alphanumeric identification, constituted as follows:

1. The series number (5 characters). When the series number is less than 5 characters, an X is entered as the 5th character.
2. The sheet number, or name (8 characters). Roman numerals are converted to Arabic. If map identification is by name instead of number, those letters beyond 8 are omitted.
3. The edition number (2 characters). An edition number less than 10 is entered as the 15th character, preceded by a zero in the 14th space.
